# PROJECT QUEUE INFORMATION CARRY-ALONG CARDS

BY MS. VIOLET  
OF LIME & VIOLET  
[HTTP://LIMENVIOLET.COM](http://limenviolet.com)

## HOW TO USE 'EM:

PRINT OUT PAGE 2 AS MANY TIMES AS YOU WANT (CARDSTOCK IS BEST). CUT THEM APART, AND...

1. PICK A PROJECT YOU ABSOLUTELY LOVE AND WANT TO MAKE.
2. WRITE IN THE NAME AND WHERE YOU GOT THE PATTERN ON THE NAME OF PROJECT LINE.
3. WRITE IN THE PERTINENTS - YARN, YARDAGE, ANY NOTES ABOUT THE PATTERN (LIKE, IF YOU NEED NEW NEEDLES OR SOMETHING) IN THE REST OF THE FIELDS.
4. ON THE BACK, WRITE DOWN ANY IDEAS YOU HAVE ABOUT THE PROJECT. IF YOU WANT TO CHANGE A NECKLINE, ADD A PICOT EDGE, USE A YARN SUBSTITUTE...ANYTHING!
5. SLIP THE CARD IN YOUR WALLET. IT'S BUSINESS-CARD SIZED, SO YOU CAN EASILY DO THAT. THEN, WHEN YOU'RE AT THE LYS, YOU CAN AVOID WOOL FUMES-RELATED AMNESIA, AND WHIP THESE OUT TO REMIND YOURSELF WHAT YOU'RE LOOKING FOR AND WHAT'S IN YOUR QUEUE.
6. MAKE BEAUTIFUL KNITTED THINGS FOREVER AND EVER.
